2021 Valuing water

CERTIFICATE

www.worldwaterday.org

This is to certify that Md. Nazmus Sakib participated
in the World Water Day 2021 campaign: Valuing water.

World Water Day 2021 is about what water means to people. By recording the different ways water benefits our lives, we can value water properly and safeguard it effectively for everyone.

World Water Day is celebrated on 22 March every year, inspiring action to achieve Sustainable Development Goal 6: water and sanitation for all by 2030.

World Water Day 2021 is coordinated by the Food and Agriculture Organization of the United Nations (FAO), Aquafed, Public Services International, the Government of the Netherlands, the International Fund for Agricultural Development (IFAD), the International Labour Organization (ILO), the Office of the United Nations High Commissioner for Human Rights (OHCHR), the United Nations Children's Fund (UNICEF), the United Nations Department of Economic and Social Affairs (UN DESA), the United Nations Educational, Scientific and Cultural Organization (UNESCO), United Nations Habitat (UN-Habitat), the World Health Organization (WHO), the CEO Water Mandate, Sanitation and Water for All (SWA), Global Water Partnership (GWP), International Water Management Institute (IWMI), Water.org and Women for Water Partnership (WfWP) on behalf of UN-Water.
